Black Gold's Recipe for Success

- 1) Place old plastic pot upside down in largest pot and stack medium pot on top.
- 2) Fill both 3/4 full with Black Gold® All Organic Potting Soil. Add soil to stabilize and repeat
- 4) Plant herbs of your choice, adding soil as needed. We used Sorrel, Tri-Color Sage, English Thyme, Lemon Thyme, Mint and Chives in the bottom; Bronze Fennel, Triple Curled Parsley, Salad Burnet, Rosemary and Nasturtium in the middle; Bay Laurel and Nasturtium in the top.
- 5) Add water (and water regularly when dry).
