

BLACK GOLD

All the Riches of the Earth...

Plant Now with Black Gold® to Create a Gorgeous Layered Spring Bulb Planter

- Start with a large container with good drainage.
- Fill 1/3 full with Black Gold All Purpose Potting Soil.
- Place a layer of bulbs, cover bulbs with soil and repeat until full. Three layers works well.
- Finish the top with your favorite fall plants for a great look now.
- Place container outside. Sit back and enjoy! When the weather warms in spring your bulbs will begin to emerge.
